Re: Account of Joseph Navratil
S.E. 32-8-6-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain, fodder and relief amounting to $417.65 were advanced to Joseph Navratil on the security of the above mentioned land. A payment of $7.50 was received in 1928 and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 383.81	$ 941.05	$ 1,324.86

Patent was issued in the name of Joseph Navratil for the S.E. 32-8-6-W4 on the 17th of April 1913 and later became subject to the 1915 liens. The S.W. 32-8-6-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 4th of November 1925, and the land is still Crown Land held in the right of the Province.

In 1929 the S.E. 32-8-6-W4 became subject to forfeiture proceedings for nonpayment of arrears of taxes and title reverted to the Crown in the right of the Province.

In reply to our questionnaire of the 5th of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote us as follows:

"Kindly be advised that this half section is held under Grazing Lease No. 32955 by Frederick Stickel of Seven Persons, Alberta, whose lease does not expire until November 1st, 1966.

According to an inspector's report on file this land can only be considered suitable for grazing purposes and it is unlikely that it will ever be used for any other purpose."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our liens. Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

Re: S.E. ¼ of 14-6-8 W. 4th Mer.

We beg to advise you that I am now in receipt of an application for patent from Jules Verne Villermoure on behalf of the Trusts & Guarantee Company, Limited, administrators of the estate of the late Olaf Trones who in his life time held pre-emption entry for the above described quarter section. This application still lacks the evidence of two witnesses which Mr. Villermoure has promised to furnish at an early date.

As certain of the cultivation duties have been performed upon the patented homestead, the South West quarter of Section 13, it will be necessary for you to furnish me with evidence of ownership of this land. This evidence may be submitted either in the form of the Duplicate Certificate of Title or Registration Abstract, which latter document may be obtained from the Registrar, Land Titles Office, Calgary, upon the payment of the usual fee of $1.03.

The following is a statement of account in connection with the purchased price of this entry:

1st Instalment $160.00, interest thereon at 5% from 22nd of July, 1915 to date of payment.

2nd Instalment $64.00, interest thereon at 5% fr 22nd of July, 1916 to date of payment.

3rd Instalment $64.00, interest thereon at 5% 22nd of July, 1917 to date of payment.

4th Instalment $64.00, interest thereon 22nd of July, 1918 to date of payment.

(2) On the following day, that is on the morning of the May 25th

For ordinary homestead entry by returned soldiers who have served Overseas and who produce evidence of honourable discharge, and are eligible under the provisions of the amendment to the Dominion Lands Act affecting Area "A" printed on the back hereof.

For Soldier Grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate, or a telegram or special letter from the Soldier Settlement Board establishing eligibility, who is also eligible under the provisions of the amendment to the Dominion Lands Act affecting Area "A" printed on the back hereof.

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the May 27th

By general public including civilians and returned soldiers, who are eligible under the provisions of the amendment to the Dominion Lands Act affecting Area "A" printed on the back hereof.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 15.00

Payment for Improvements

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land

The following indebtedness is charged against this land: $120.00 & Int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

Eligibility for Soldier Grant Entry:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of His Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

(3) of His Majesty or of any British Dominion or Colony—and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Right of Entry in Area A Restricted

By Section one of the Act 15-16 George V, chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Dear Sir:

Re: SE¼ 14-6-9-W.4th Mer.
Your file No. 20-5752.

I have your letter of the 21st instant, requesting to be advised as to the standing of the above described land, and if it is likely to be used again for farming purposes.

At the present time this land is held under Grazing Permit by S. A. Halvorson, of Nemiscam, Alberta. This permit will expire on the 31st of March, 1953, and Mr. Halvorson has renewal privileges, if he so desires.

The quarter section referred to contains an area of 142.00 acres, and according to the file this land is of use only for grazing purposes.

Yours truly,

for V. A. Wood,
Director of Lands.

Re: Account of Olaf Trones (deceased)
S.E. 14-6-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1918 seed grain amounting to $120.00 was advanced to Olaf Trones on the security of the above mentioned land. A payment of $15.00 was received in 1927 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 120.00	$ 189.10	$ 309.10

The S.E. 14-6-8-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 10th of May 1926 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 21st of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"At the present time this land is held under Grazing Permit by S.A. Halvorson of Nemiscam, Alberta. This permit will expire on the 31st of March 1953, and Mr. Halvorson has renewal privileges, if he so desires.

The quarter section referred to contains an area of 152.77 acres, and according to the file this land is of use only for grazing purposes.

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Joint Relief advances.

This individual obtained the following Joint Relief advances giving as security liens on the title to the above parcels of land.

Relief.	
Mar. 1/20	87.90
Mar. 1/20	105.00
May 23/21	30.75

Int. to Mar. 31/38	244.47
	$[illegible].72

It was reported in the late 1920's that this individual was running a store and had sold his farm and equipment to another on terms with the intention of repaying the above advances from the proceeds received from his purchaser. Apparently the purchaser was unsuccessful in completing his agreement likely due to the fact that this particular land is situated within an extremely dry part of the province. The land was allowed to revert to the taxing authority under the provisions of the Tax Recovery Act but due to its lack of activity no sale materialized and the land was eventually transferred to the Department of Lands and Mines for administration. The policy of the Department is to hold such land available for lease only and that Department is to hold such land available for lease anything which produces only a very small rental insofar as the nature of the climate, the land is valueless for grazing which produces only a very small rental provide for any recovery on this account.

REMARKS — Indebtedness to be cancelled without any payment.

ORDER-IN-COUNCIL P.C. DATED

Ottawa, 28th December, 1953.

Mr. C.F. LeCapelain,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Carl Engel,
N.F. 31-12-2-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 and 1920 seed grain amounting to $385.85 was advanced to Carl Engel on the security of the above mentioned land. Payments of $200.00 and $214.83 were received in 1928 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$ 198.85	$ 351.86	$ 550.71

The N.F. 31-12-2-W.4th was formerly the homestead of Carl Engel on which security he obtained advances of seed grain in 1919 and 1920.

According to an abstract of title dated the 18th of December, 1953, this quarter section now stands in the name of Theodora Wind Engel of Irvine, Alberta, clear of any encumbrance.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: —

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 of the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister that he or she is not a homesteader or that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, inclusive of the width of road allowances crossed in the measurement, or that such person is the father, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

TIME OF EMPLOYMENT AS FARM LABOURER TO BE COUNTED IN CONNECTION WITH ENTRY.

The following Order in Council was passed on the 28th February, 1917:

Notwithstanding anything contained in the Dominion Lands Act or the amendments thereto during the remainder of the year 1917, the holders of homestead, preemption or purchased homestead entries who are employed as farm labourers within the Dominion of Canada may be allowed the period of such employment as a like period of residence in connection with their respective entries, subject to the following conditions:—

1. The time of employment will be counted as residence duties must be subsequent to the actual date of entry in each case.

2. The provisions of this order shall not apply to unperfected prior entries, but to any case in which the entryman is engaged in any other employment than actual farm labour.

3. As soon as possible after the entryman commences work, it shall be necessary to forward to the agent of Dominion Lands for the district in which the land is situate, such evidence satisfactory to the Minister of the Interior giving particulars of the said homestead entry, the nature of the work performed, where performed, date of commencement and probable duration.

4. Within thirty days after the term of employment has expired, and in any case not later than the 1st December, 1917, the entrant shall file with the Dominion Lands Agent for the district sworn evidence satisfactory to the Minister of the Interior as to the time actually spent on farm work.

5. In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this Order shall be held to confer any right or claim upon the former holder of any such entry, who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

6. The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

Copy of Order in Council of 5th March, 1917.

Whereas it is provided by Section 7 of the Dominion Lands Act, that no land shall be open for entry for a homestead or otherwise until it has been surveyed in accordance with the provisions of the Dominion Lands Surveys Act, and notice that it is to be open for entry upon a date to be set forth in the notice has been posted for at least three days in the Land Office for the district in which the land is situate, and has been published in at least one newspaper in that district and in one newspaper in the provincial capital:

And whereas it is also provided by regulation of the Department of the Interior that in certain cases where entries have been cancelled, or where lands which have been under reservation are released from such reservation, the lands affected shall before being made available for the general public, be posted for at least ten days in the Land Office for the district, also in the Sub-Office at which Departmental business may be transacted for the district, and in the Post Office nearest to the land:

And whereas the attention of the Minister of the Interior has been drawn to the hardship experienced by returned soldiers who may be suffering to a certain extent from physical disability, when making application for entry for Dominion Lands in competition with the general public:

And whereas the Minister of the Interior is of opinion that it is desirable that provision should be made whereby any returned soldier, as hereinafter defined or specified, who desires to make application for such entry, should have priority for a period of one day, from and following the hour at which land becomes available after having been advertised or posted, as hereinafter set forth, provided, however, that any such applicant must be eligible under the Dominion Lands Act and the amendments thereto, or of regulations thereunder, for entry of the class for which he intends to make application, and, further, that he must be prepared to fulfil the settlement conditions thereby prescribed.

Therefore His Excellency the Governor General in Council under and in virtue of the provisions of Section 9 of the War Measures Act, 1914, is pleased to make the following regulations, and the same are hereby made and established accordingly:—

1. From and after a date to be fixed by the Minister of the Interior, wherever any parcel or parcels of Dominion lands become available

for entry as hereinbefore set forth, after having been advertised or posted according to the provisions of the Dominion Lands Act, as amended, and of any regulations thereunder, a period of one office day shall be allowed, immediately following the expiry of the term of advertising or posting, during the office hours of which day the right of making entry for such parcel or parcels of Dominion lands shall be restricted to returned soldiers who have served overseas during the present war with the military or naval forces of Great Britain, or with any of the Allies of Great Britain, who have been honourably discharged therefrom, and who are present in person at the office of the local Agent for the district for the purpose of making entry. An application for entry by any of these soldiers shall be made, received and dealt with in all respects, except as herein provided, under the provisions of the said Act, as amended, and regulations then in force. Each of such returned soldiers applying for entry on the day above mentioned shall submit for the inspection of the Agent of Dominion Lands for the district in which the land so applied for is situate, his certificate of honourable discharge from military service of the nature before referred to, failing which his application for entry shall not be accepted on that day.

2. In the case of more than one returned soldier being present at the opening of the Land Office on the day above referred to, priority as between the respective applicants shall be decided under the then existing regulations in that behalf.

3. No concessions shall be extended to a returned soldier who applies for entry at the office of any Sub-Agent of Dominion Lands.

4. Upon the opening of the Land Office for the district, on the day immediately following the period set apart for receiving applications for entry from returned soldiers, as above set forth, the disposal of any such parcels of land remaining unentered for shall proceed in the manner provided for by the then existing Dominion Lands Act as amended, and regulations thereunder.

In the event of any question being raised as to the interpretation of any of the foregoing regulations, the Minister of the Interior is authorized to decide such question in such manner as he may deem just, having in view the circumstances of the case.

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force

1. of Canada and has served out of Canada, or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension, or
2. of his Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war, or,
3. of his Majesty or of any British Dominion or Colony and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war, and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entries on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: –

Conflicting Claims

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately as the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or that has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Right of Entry in Area A Restricted

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act" it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person satisfies the Minister, or such officer of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the person for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

N.W. ¼- 32- 14- 3- W. 4th M.,

With reference to your memorandum of the 20th ultimo, relating to the above described lands, I am to advise you that the name of the last entrant for the N.E. ¼- 28- 14- 3- W. 4th M., is Cornelius Blocker, of Vale, Alberta. No application has been made for a refund of the value of any improvements, but apparently there would be no objection if he is not indebted to the Department for Seed Grain or Relief, and if his Provincial, Municipal and School Taxes have been satisfactorily arranged.

With regard to the N.W. ¼- 32- 14- 3- W. 4th M., the last entrant was John Lange, of Vale, Alberta. Re: Account of John Albert Lange
N.W. 34-14-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $67.75 was advanced to John Albert Lange on the security of the above mentioned land. A payment of $10.00 was received in 1927 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 67.75	$ 108.48	$ 176.23

The N.W. 34-14-3-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 30th of May 1927 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionaire of the 9th of September, 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"In reply to your letter of the 9th instant, I would advise that the above described land which is located outside of the settlement area, is included in Grazing Lease No. 34116. This lease issued in favour of Wilbert Jacober, of Vale, Alberta, and expires on the 1st of November, 1970.

There has been no other use for this land, except for grazing, and it is not likely that it will be farmed again."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

Referring to the application for patent made by you on the 5th August, 1920, for the above described land, I beg to inform you that before any further action can be taken in connection therewith, it will be necessary for you to arrange for the payment of the purchase price of this quarter-section.

The standing of the payments in question is as follows:

1st instalment $160.00 and interest on same from 15-6-15 to the date of payment.

2nd instalment, $64.00 and interest on same from 15-6-16 to the date of payment.

6th instalment, $64.00 and interest on same from 15-6-20 to the date of payment.

Up to the 1st September, 1919, the rate of interest will be 5% per annum. After that date, interest will be computed on all overdue instalments then remaining unpaid at 7% per annum instead of 6%.

You should take steps to pay off this indebtedness, or at least to substantially reduce the same. Any payments made should be remitted to the Agent of Dominion Lands at Lethbridge.

If, for any reason, you are unable to make the payments referred to, or any substantial portion thereof, and desire to mortgage or sell the land with a view to paying off this indebtedness, you may make application to the Agent of Dominion Lands for a Certificate of Recommendation in your favour.

You should distinctly understand, however, that in the event of this Certificate being issued, and your subsequently mortgaging or selling the land, any indebtedness to the Department will be a first charge on such transaction, and it will be necessary for you to secure sufficient cash to pay off such indebtedness in full.

At present the above quarter section is included in Grazing Lease No. 31742, which is held by Messrs. August L. and Earl L. Beach, of Iddesleigh, Alberta. This lease expires on the 1st of January, 1962.

This land is located outside of the settlement area, and it is not likely that it will be used again for farming purposes.

Re: Account of W.A. Glenn,
S.E. 7-18-9-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $126.00 was advanced to W.A. Glenn on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 126.00	$ 291.96	$ 417.96

The S.E. 7-18-9-W.4th was formerly the pre-emption of the debtor whose entry was cancelled on the 7th of April, 1924, and the land is still Crown land held in the right of the Province.

In reply to our questionnaire of the 30th of July, 1931, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:-

"At present the above quarter section is included in Grazing Lease No. 31742, which is held by Messrs. August L. and Earl L. Beech, of Iddlesleigh, Alberta. This lease expires on the 1st of January, 1932.

This land is located outside of the settlement area, and it is not likely that it will be used again for farming purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

C.V. Gilchrist.

Ottawa, 21st August, 1952.

Re: Account of W.A. Glenn,
S.E. 7-13-3-W.4th.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dominion Member.
